

The logo for POIMEC, featuring the company name in a bold, blue, sans-serif font. The letters are thick and modern, with a slight shadow effect. The background of the entire page is white with a pattern of overlapping blue squares of various sizes and shades, creating a geometric, pixelated effect.

POIMEC

TECHNICAL COMPONENTS OF SMALL PRECISION PARTS
IN METAL AND PLASTIC

*"More difficult?
More challenging!"*

Serving our Customers since 1955

OUR MISSION

To motivate our Customer to choose POIMEC as the preferred supplier of technical components of small precision parts in metal and plastic, contributing to Customer competitiveness and allowing POIMEC to grow profitably.

OUR MARKETS

ABOUT US

We are a company able to solve significant technical problems in the production of small precision components in metal and plastic.

We design and manufacture dies, moulds and assembly machines in our tool room.

We can produce small and big batches of products, assuring the reliability requested by the markets and maintaining the right level of competitiveness.
